Sciences et Technologie	-Sciences Techniques.	Licence 1	-ST.
Sciences Economique	-Sciences Economique. -Sciences Commerciales. -Sciences de la Gestion.	Licence 1	Toutes les spécialités.

Description du module

Students at this elementary level (1) are expected to learn/renew their already existing knowledge and reinforce what English knowledge they might have picked up before entering the tertiary level. Although the titles of the various chapters might sound too broad and too complex, what is primarily targeted are just basics without which no further progression up the linguistic ladder is to be readily made.

Semaine	Plan du cours
