
LAB ASSIGNMENT 04

Create a user interface similar to the Instagram login page above using **ConstraintLayout**, while taking into account both **portrait** and **landscape** modes.

Instructions

1. Use **Design mode**.
2. Add the following elements with appropriate constraints:
 - ✓ **Instagram logo** centered at the top.
 - ✓ **Input fields** for **username** and **password**.
 - ✓ **Icon** to show/hide the password.
 - ✓ Text **"Forgotten password?"** aligned to the **right** under the password field.
 - ✓ **"Log In"** button centered **horizontally** below the fields.
 - ✓ **"OR"** separator between two **gray lines**.
 - ✓ Text **"Log in with Facebook"** with the **Facebook logo**.
 - ✓ A **gray line**.
 - ✓ **Text** at the bottom of the screen.
