

NOTE : This grid represents the majority of the evaluation criteria for the "Mobile Application" course project, but the assessment will not be limited to these points.

Overall Evaluation

- Submission of teams (**deadline: April 12 at 11:30 PM**);
- Penalty for adding a student after the deadline;
- Submission of a Figma design (only 2 pages) (**deadline: April 19 at 11:30 PM**);
- Submission of the report to the teacher's email address (**deadline: April 26 at 11:30 PM**);
- All submissions must be made exclusively by team leaders;
- The report must be submitted in both Word and PDF formats;
- Writing a professional email body;
- Being on time on the day of the evaluation.

Report Evaluation

- Inclusion of necessary information on the cover page;
- Use of an automatic table of contents;
- Clarity of writing;
- Consistent formatting;
- Respecting the page limit (15 pages including cover page, table of contents, references, etc.).

Content Evaluation

- Use of Figma or another design tool;
- Number of medical professionals included (Dataset.xlsx);
- Architecture of two interfaces;
- Minimum of six different interfaces;
- Interfaces support both orientations (Portrait / Landscape);
- Architecture of transitions;
- Category-based selection;
- At least three interfaces displaying medical professionals;
- Additional features are not mandatory (GPS, Google Maps, etc.) but are welcome.
- Others
